## **Area 10 Corrections Committee**

## Carrying the message behind the walls...

This is an opportunity to carry the AA message to confined alcoholics who would like to live sober.

The following information includes the step-by-step process for getting cleared to go into a Colorado DOC Correctional Facility (Prison). If you are interested in going into a County Facility or Youth Detention Center please contact your District Corrections Chair, DCM or the Facility Volunteer Coordinator as their clearance requirements are less stringent and each facility's clearance process varies.

# Included in this Packet is following:

- 1. How to correspond with an inmate through letter writing.
- 2. Information on becoming a Volunteer in a Colorado Prison.
- 3. Colorado Department of Corrections Volunteer Application.
- 4. The Colorado Department of Corrections Volunteer Training Schedule for 2016.
- 5. Colorado Department of Corrections Guest Access Policy and Application

# Area 10 Correspondence Chair

AA members on the "outside" can contribute to their own sobriety and that of the inmate by becoming a Corresponding Contact. The Corresponding Contact communicates with the inmate by sharing their experience, strength and hope in a written letter. This helps the inmate to become acquainted with AA on the outside and your letter becomes a meeting in print for someone who may never or rarely, be able to participate in Alcoholics Anonymous.

Please send your letters to the following:

Area 10 Corrections Correspondence PO Box 40368 Denver, CO 80204 \*\*\*If you need clarification, have additional questions, or need to order AA approved literature for a facility please feel free to email the Area 10 Corrections Committee at corrections@coloradoaa.org

#### \*\*\*\*\*THE FOLLOWING IS AN EXCERPT TAKEN DIRECTLY FROM THE CDOC WEBSITE AND IS USED BY THE AREA 10 CORRECTIONS COMMITTEE AS INFORMATION TO ASSIST INTERESTED MEMBERS OF ALCOHOLICS ANONYMOUS IN VOLUNTEERING\*\*\*\*\*

#### Colorado Department of Corrections - Faith and Citizen Programs Volunteer Training Schedule

#### Becoming A CDOC Volunteer inside the Facilites

- **Initial steps:** Program approval, volunteer application, background clearance, basic volunteer training (BVT), facility specific orientation
- Update steps: Update application (every 12 months), update volunteer training (UVT—every 12 months)

The Office of Faith and Citizen Programs (FCP) will send you (the active volunteer) a reminder notice one month in advance of your update application due date. You are responsible to submit your completed application, register for training upon approval of your application, and attend a UVT every 12 months in order to remain an "active" CDOC volunteer.

#### **Pre-Register for ALL Training**

~ ~ ~ ~

Your application must be <u>approved</u> before you can enroll in training. FCP will notify you in writing when your application is approved. The complete application process and pre-registration is required in order to attend any training. Please call Danyel Fox at **719-583-5975 or one of the class instructors to register.** Training is available at various locations throughout the state each month (see schedule on back). To ensure space availability, please register for training as soon as you are notified that your application is approved. Training is rarely canceled or rescheduled, but may be necessary due to unforeseen circumstances. You will be notified by phone and email of any schedule changes as soon as practicable. Additional training may be scheduled for specific large groups (25+) *only* when scheduled classes are not available or suitable.

**Basic volunteer training (up to 8 hours)** is required for all newly approved CDOC volunteers. This training prepares you to work in a correctional environment, with sessions on: CDOC Facilities, Professionalism, Supervision, Offender Behavior, Specific Offender Groups, Communication, Prison Safety, and Hostage Survival.

**Update volunteer training (up to 4 hours)** is required every 12 months in order to remain an "active" CDOC volunteer. This training is a refresher on safety and security matters and recent CDOC policy changes, and includes time for you to share and learn from one another.

**Facility specific orientation (up to 2 hours)** is required for each CDOC facility at which you intend to volunteer. This walking tour allows you to meet specific staff and learn details about the facility. Within 90 days of successful completion of BVT, you must complete a facility specific orientation. Schedule your orientation with the facility volunteer coordinator. You will only be "active" and able to provide service after the entire orientation process is complete (including warden's signature and FCP data entry).

#### **Security Issues**

Safety and security are our Top Priority. If you observe an unsafe or non-secured condition, notify your facility chaplain, volunteer coordinator, or other DOC employees immediately.

**Professionalism**: Volunteers aid DOC employees. Appearance, conduct, language, and attitude reflect your character and integrity. Earn respect and be patient with DOC employees.

**Personal parameters and boundaries:** When possible, use formal titles, such as: Administrative Head, Captain, Officer, Mr., Ms., or Sir. Do not befriend an offender for the purpose of intimacy. Do not supply your phone number or address, or personal information about yourself, another volunteer, or DOC employee. Avoid contact with an ex-offender.

**Contraband:** Any item not specifically authorized by a departmental administrative directive may be considered contraband and may be confiscated to avoid compromising facility safety and security. Offender property must come from approved sources – NOT VOLUNTEERS OR GUESTS. **REMEMBER:** "*Nothing in; nothing out.*"

**Search procedures:** Any person and/or vehicle is subject to search upon entering the grounds of a correctional facility. Volunteers/Guests may refuse to be searched. Such refusal will result in termination of volunteer/guest status. Facility access may require an individual to clear a metal detector. Ensure clothing and additional adornment items are free of metal (bobby pins, hair ties, ink pens, etc.).

**Managing aggressive behavior:** If an offender becomes hostile, remain calm, back away, and immediately seek DOC employee assistance; correctional employees are trained to handle difficult situations. If alone, gradually move to a location where you can be seen by DOC employees.

Offender Fights: Do not try to break up offender fights. Summon DOC employees to handle the situation.

#### **Meet Your Clients**

Offenders are former free citizens who have committed crimes and are now confined. These offenders are like us in many ways. They have dreams, loved ones, and they laugh and cry. You may notice a sense of hopelessness among members of the offender population. As a volunteer or guest with an offender program, you bring in affirmation, encouragement, and hope.

Offenders tend to fall into one of four prison cultures:

- 1. **Individuals:** A large majority of these offenders come from dysfunctional families. Physical or sexual abuse during childhood is common. Lack of education may cause people to turn to crime. Many offenders are functionally illiterate. Drug and alcohol use are often major influences in offender's lives.
- 2. **Ethnic groups:** The offender population within the DOC is made up of several ethnic groups. The percentages of these groups vary in day to day operation. Be aware of the differing ethnic groups, and treat all with professional respect.
- 3. **Gangs**: Many offenders were gang members before incarceration. Others become members in prison as a means of survival. There are many different gangs represented in prison. Violence is often a part of gang affiliation.
- 4. **"Institutionalized":** Prison becomes a "comfort zone" to this group of offenders. Since the CDOC provides all their necessities, they are comfortable in prison and therefore hesitant to leave the prison environment.

**Offender Relationships** – Please circle yes or no for each question. *Please submit written details for any 'yes' on a separate sheet of paper.*
