## **FOREWORD**

The procedures set forth in this Guide for Area 10 of Alcoholics Anonymous consolidates in one document the structural and operational framework ratified by the Area 10 Area Assembly. This document is compatible with the Twelve Steps, Twelve Traditions, Twelve Concepts and the Service Manual of Alcoholics Anonymous.

The purpose of this Procedure Guide is to provide a quick reference for the Area Chairperson to assist in chairing a smoothly running assembly. It does not set policy. This Procedure Guide has been submitted to and approved by the Area Assembly.

The members of Alcoholics Anonymous in Area 10 may decide from time to time to amend this document. Such changes ought always be the result of an informed conscience in the spirit of A.A.'s Three Legacies.

A vote of the Assembly, demonstrating substantial unanimity (as determined by the assembly) in such a circumstance shall bind the Area Committee to vote or act in the way indicated by that vote, except when special circumstances, such as the availability of information to the Committee which was not available to the Assembly, shall cause the Committee to inform the Assembly of that circumstance(s) and return the matter to the Assembly for reconsideration. (2) The term of office for these elected Officers shall be two years beginning December 1 of the year of the election and continuing until November 30 two years following.

(4) All voting members of the Area Assembly will be entitled to one vote only per elected position being voted upon.

(5) Those automatically eligible to stand for office, with the exception of the office of Area Delegate, are: all current members of the Area Committee; all D.C.M.'s whose term of service expired during the previous odd numbered year or any other A.A. member in attendance who receives a nomination. (7) Those eligible to stand for the position of Area Delegate shall consist of individuals defined in E.5. The candidates will alternate (every other term) between those representatives who reside within the districts in the greater Denver area and those in the other Area 10 districts. The greater Denver districts are defined as Districts 9, 10, 11, 12, 13, 16, 19, 30, 31, 32 and 33 as of January 1, 2000. However, no well-qualified AA should be passed over in the interest of geographical rotation.

(8) In order to comply with the strong suggestion in the *A. A. Service Manual*, chapter "The Delegate," section "Geographical Rotation Within the Area," while those able to stand for the position of Delegate will be in accordance with the proceeding paragraphs, persons otherwise qualified but not meeting the geographical restrictions set forth therein may become eligible for election by nomination from the floor.

F. Election of the Alternate Delegate, Area Chairperson, Area Secretary and Area Treasurer will follow the same election format with no geographical restrictions.

G. The Area Assembly may remove any Area Committee Officer for a just cause. Such removal shall be by secret ballot and shall require a 2/3 or greater majority vote of the Area Assembly. The Area Assembly shall immediately conduct a special election for the remaining term of the office thus vacated.

H. In order for the Area Assembly to fulfill its responsibilities to provide financial support to the Area Delegate, to provide for mailing and publishing expenses and to provide for the other necessary expenses of the Area, funds must be made available. Each Area 10 Group is asked to voluntarily contribute to the Area treasury. These contributions are not dues or levies, but are voluntary donations.

There may be other methods for selecting standing committee chairs. This is a matter to be decided by the conscience of the District Committee.

C. Most District Committees meet monthly at a time and place of their own selection. At a minimum, each District Committee should meet once between each Area 10 Assembly meeting.

D. Every GSR (or in that person's absence, the Alternate GSR) will be a voting member of the Area Assembly. Each A.A. group in the district should elect a GSR and an Alternate GSR from its membership to a term of service of two years. GSR elections should be held bi-annually in September. A.A. Groups in even numbered districts should hold elections in odd numbered years and A.A. Groups in odd numbered districts should hold elections in even numbered years. The term of service shall begin on December 1 of the respective election year and run concurrently with the term of the DCM of the district.

E. Every DCM will be a voting member of the Area Committee. The GSRs in each district should elect the DCM and an Alternate DCM in October of the appropriate odd or even year. DCMs are usually elected from the immediate past GSRs. Most Districts allow the entire District Committee (current GSRs, District Officers, and Standing Committee Chairs) to vote for the new DCM. Some districts may have different eligibility rules. It is up to the District Committee to decide who is eligible to vote. The District Committee should define who is eligible to vote prior to the election. The term of service shall be two years, beginning on December 1 of the year elected.

F. The District Committee will notify in writing the Area Chairperson and the Area Records Coordinator of the name, address and phone number of the new DCM, Alternate DCM, GSR's and Alternate GSR's.

G. When need dictates that a district add another DCM in order to adequately perform the functions of the district, this request will be submitted to the to the Area Chairperson for action at the next meeting of the Area Committee. This request should include the current number of DCM's in the district, the current number of groups in the district and a brief description of the specific need of the district.

H. When a district feels the need for redistricting, the proposal should be in written form with a copy sent to the Area Chairperson and a copy sent to the Area Delegate at least 45 days before the next meeting of the Area Assembly. The proposal should include the same information regarding adding a new DCM along with a detailed map of the existing and proposed new district. A.A. groups in the existing district should be in substantial agreement with the proposal and the district should coordinate with the Area Chairperson the presentation of the proposal at the next meeting of the Area Assembly.

## **COLORADO STATE CONVENTION COMMITTEE**

A. The Colorado Convention Committee Chairperson is responsible to the Area Chairperson as per the definition of responsibilities in the convention guidelines. The Convention Committee Chairperson will appoint an Alternate Chairperson and other appropriate committee chairpersons, who together will form the Convention Committee.

B. The Colorado Convention Committee will have the responsibility for the preparation of advertising, registration and conduction of the Colorado State Convention using the Convention guidelines.

C. The Colorado State Convention shall be held annually, usually Labor Day weekend and at a place within the State of Colorado. The State Convention site shall be determined by bid process at the Area Assembly and will be selected at least three (3) years in advance. The conduct and operation of the Convention shall be in accordance with the Area's Convention Guidelines then in place or as amended from time to time.

## AREA 10 PROCEDURE GUIDE AMENDMENT PROCEDURES

A. Proposed amendments to this procedure guide will be submitted in writing to the Area Chairperson and Area Delegate. The proposed change shall be written into the paragraph in question with the entire paragraph rewritten to reflect the proposed amendment.

B. Upon receipt of the proposed amendment the Area Chairperson shall include the proposed amendment on the agenda of the upcoming Area Assembly meeting. An affirmative simple majority of the voting members present at that Area Assembly recommends the amendment be submitted to the Area 10 A.A. Groups, according to the procedure set forth in the next paragraph, for their consideration.

C. The Area Chairperson shall provide copies of the proposed amendment to all GSR's and Area Committee members at least 45 days before the next assembly, including a suggestion that GSR's take a group conscience on the proposed amendment and be prepared to report that conscience and vote, at the next assembly. Normally, these copies shall be provided by the High Country News.

D. The Area Chairperson will include the amendment vote under the "Old Business" section of the next Area Assembly agenda. A 2/3 approval by the Area Assembly shall constitute the adoption of the amendment.

E. In keeping with the "Right of Decision", the Area Assembly shall have the latitude to determine whether any proposed change is "administrative" or "substantive" in nature. The Area Assembly may make administrative changes without resorting to the amendment procedure above. Any voting member of the Area Assembly may make a proposal for an administrative change, either by mail or from the floor of the Assembly, and notice is not required. The Area Chairperson shall request a vote of the Assembly to accept or reject such administrative changes. If affirmed the changes shall be included in the next printing of the Procedure Guide. If the proposed change is rejected, or determined to be substantive, the proponent may then follow the amendment procedure outlined above in A through D.

NOTE: It is suggested that anyone thinking about submitting a proposed amendment first discuss it with other A.A.'s experienced in service to ask: Is it needed? Is it helpful? Is it clear? One way to make a proposed amendment clear is to use a "-" to show the words you want to strike out and bold type to show the words you would like added.
