Dear Inside AA member:

AA in this area has a transition program called "Bridge the Gap." This means that you can sign up to be matched to an AA member on the outside in your home community upon release. This AA Bridge Volunteer can take you to 3-6 meetings, introduce you around, and help you get acquainted and comfortable around new friends in AA. During this time, you will learn about sponsors, home groups, working the steps, and service. Your Bridge Volunteer is only temporary and will not follow-up or try to control you, nor provide housing, food, clothing, jobs, money, or other such services. You will undoubtedly hear the five basic suggestions for sobriety the fellowship shares with all members!

They are: Don't Drink! Go to Meetings, Read the Big Book, Call your Sponsor, and Work the Steps.

Past experience has shown that attending an AA meeting on the outside as soon as possible after release makes for a successful sober transition into the free world. Many of us have been where you are and we know what the program of AA and its fellowship can do for you, by what is has done for us and countless others. Please remember that the only requirement is a desire to stop drinking.

Please complete the attached "Offender Application," detach and mail it to the address on the form. Keep the balance of this application for future reference. Do this as soon as possible once you have a release date. The AA Bridge Coordinator will then match you with a Bridge Volunteer in the community where you will be living. That person will contact you through the mail with information on how to contact him once you are released.

BRIDGE PROCEDURE

1. Inside AA members are invited to use this program. Hopefully, they have a short time left to serve and have been attending AA meeting when available.
2. The offender fills in the application and mails it to **Area 10 Corrections/BTG**, which will be responsible for procession and coordination all bridges.
3. The Bridge Coordinator will notify the inside member that the application has been received and that the process has been started.
4. The Bridge Coordinator is responsible for finding a Bridge Volunteer to match the request.
5. When a Bridge Volunteer has been found, the Bridge will inform the inside AA member that a "bridge" has been established.
6. The Bridge Volunteer is to write the inside AA member within **two weeks** confirming contact and a willingness to act as a "bridge".
 - a. Return address will be the address of the Area 10 Corrections c/o BTG PO Box 40368 on this application. All letters will be forwarded from here.
 - b. If the Bridge Volunteer does not contact the inside AA member within two weeks, the Bridge Coordinator should be notified by the offender at the above address.
7. The inside AA member will then inform the Bridge Volunteer of all pertinent information as to date of release, what their local address and phone number will be, date, and time of arrival and other pertinent information.
8. The Bridge Volunteer will meet the applicant at an agreed upon time and place, to help the applicant attend his/her first few meetings.
9. After up to a maximum of six meetings, the Bridge Volunteer is asked to "Let Go and Let God!" So they may again function as a "bridge".
10. After a "bridge" has been completed, the Bridge Volunteer will inform the Coordinator of the results.
